BOSTON, OCTOBER 22.
Province of MASSACHUSETTS-BAY.

On Tueſday laſt the Honourable Houſe of Repreſentatives ſent the following MESSAGE to his Honour the Lieutenant-Governor, at Cambridge.

In the Houſe of Repreſentatives, October 13, 1770.

ORDERED, That Mr. *Hancock*, Mr. *Samuel Adams*, Col. *Warren*, Brigadier *Preſcott*, and Mr. *David Ingerſol*, be a Committee to wait on his Honour the Lieutenant-Governor, and preſent to him the following MESSAGE.

T. CUSHING, *Speaker.*

May it pleaſe your Honour,

IN your Speech to both Houſes at the Opening of this Seſſion, you was pleaſed to ſay, that his Majeſty had thought fit to order the Garriſon of Caſtle-William in the Pay of the Province to be withdrawn, and the Fortreſs to be garriſoned by his Regular Forces.

Your Honour muſt be aſſured, from a thorough Knowledge of this People, that they are inferior to none of his Majeſty's Subjects, in Loyalty and Warmth of Affection to his Majeſty's Perſon, Family and Government. We have Reaſon therefore to believe, that very falſe Repreſentations have been made of them to our Sovereign, to induce him to paſs an Order, which implies a total Want of Confidence, and carries in it the evident Marks of his Royal Diſpleaſure. If you are knowing to any ſuch Repreſentations, we have a Right to expect that you will communicate them to us; and thereby give us the Opportunity of taking the moſt effectual Meaſures, to clear up our own and our Conſtituents Innocence, and recover his Majeſty's Favour. This Requeſt muſt appear to your Honour ſo reaſonable in itſelf, and ſo important to us, that it cannot be denied: For it is repugnant to the common Principles of natural Juſtice, that we ſhould remain under ſuch injurious Repreſentations, without being made acquainted with the Crimes that are alledged againſt us.

By the Royal Charter it is expreſsly granted, eſtabliſhed and ordained, that the Governor of the Province for the Time being, "ſhall have full Power from Time to Time---to erect Forts, and to fortify any Place or Places within the Province, and the ſame to furniſh with all neceſſary Ammunition, Proviſion and Stores of War, for Offence or Defence, and to commit from Time to Time the Cuſtody and Government of the ſame to ſuch Perſon or Perſons as *to him ſhall ſeem meet.*" We beg your Honour would be pleaſed to inform us, Whether you ſtill hold the Command of that important Fortreſs? You tell us in your Speech, that you are prevented from deſiring us to make the uſual Eſtabliſhment: From hence we have Grounds to apprehend, that the Power veſted in you by the Charter is ſuperceded by Inſtruction. If the Cuſtody and Government of that Fortreſs, is now lodged with the Military Power, independent of the ſupreme civil Magiſtrate within this Juriſdiction, it is ſo eſſential an Alteration of the Conſtitution, as muſt juſtly alarm a free People. We cannot therefore but be very earneſtly ſolicitous, of being clearly and explicitly made acquainted, with the full Import of the aforementioned Order, as well as the Grounds and Facts upon which it is founded.

To which Meſſage his Honour was pleaſed to ſend to the Houſe the following ANSWER.

Gentlemen of the Houſe of Repreſentatives,

I AM not privy to any falſe Repreſentations which might induce his Majeſty's Order, to which you refer in your Meſſage to me, and which you ſuppoſe to imply a total Want of Confidence, and to carry in it evident Marks of the Royal Diſpleaſure. I am, nevertheleſs, ready to do every Thing in my Power to enable you to take the moſt effectual Meaſures to clear up your own and your Conſtituents Innocence, and to recover his Majeſty's Favour.

It is my Duty to acquaint his Majeſty's Principal Secretary of State for America with all ſuch public Tranſactions as are worthy of his Majeſty's Notice. In the Beginning of May laſt, I incloſed a Copy of the Anſwer of the Houſe of Repreſentatives to my Meſſage of the 7th of April preceding. I did it without any Comment, as I promiſed I would do. Soon after I forwarded a printed Paper, containing the Inſtructions of the Town of *Boſton* to their Repreſentatives. That Meſſage and thoſe Inſtructions without any other Repreſentation, I have ſufficient Reaſon to believe, were the immediate Occaſion of his Majeſty's Orders to me to withdraw from the Caſtle the Garriſon in the Pay of the Province, and to place there a Garriſon of his Majeſty's Regular Forces.

You recite in your Meſſage, which I am now anſwering, a Paragraph of the Charter with which I am well acquainted, and which I kept in my Mind during the whole Tranſaction relative to the Exchange of the Garriſon at his Majeſty's Caſtle, and you then aſk me whether I ſtill hold the Command of that important Fortreſs? And, becauſe I am prevented from deſiring you to make the uſual Eſtabliſhment, you infer that you have Grounds to apprehend that the Power veſted in me by Charter is ſuperſeded by Inſtruction. This Expreſſion is ſomewhat Equivocal. If you mean no more than that I have been inſtructed by his Majeſty how to uſe that Military Authority which is given me by Charter and by the Royal Commiſſion, your Inference is right, and ſuch Inſtructions I ſhall always obſerve; but if you intend that, by withdrawing a Garriſon from his Majeſty's Caſtle which was paid by the Province, and placing a Garriſon there to be paid by the King in purſuance of Inſtructions received from him, I have diveſted myſelf of the Right given me by Charter over this in common with other Forts in the Province, you have no Grounds for your Inference. I have not in this Inſtance given up any Part of your Charter Rights. I never intend to do it in any other Inſtance. On the other Hand you may expect that I will preſerve every Part of the King's Prerogative.

I will take this Occaſion to obſerve to you that, as the Ammunition and Stores of War lodged in the Caſtle for his Majeſty's Service were purchaſed and intended for the general Defence of the Province, as well as for the Uſe of that particular Fortreſs, I think it neceſſary either to continue the Perſon who had the immediate Charge of thoſe Stores, or to appoint ſome other Perſon Store-keeper to iſſue all Stores by my Warrants or Order, and to be accountable to me. I muſt alſo retain another of the Officers of the former Garriſon to receive all Paſſes for outward bound Veſſels, and to make Weekly Return to me of all Veſſels both outward and inward bound. This is ſo neceſſary a Proviſion for preventing the Breach of the Acts of Trade that I dare not, upon any Conſideration, omit it. I muſt therefore recommend to you to make a proper Eſtabliſhment for theſe two Officers, until I may have Opportunity of receiving a further Signification of his Majeſty's Pleaſure concerning this Garriſon.

T. HUTCHINSON.

Cambridge, 16th October, 1770.

We hear that the Sum of £. 25,000 only is to be aſſeſſed on the Polls and rateable Eſtates of this Province the enſuing Year.

On Wedneſday Morning laſt arrived here his Majeſty's Ship Gibraltar, from Plymouth in England, in eight Weeks.

We hear Captain Biſhop was ſoon to ſail from England for this Place in the Huſſar, as alſo the Mercury Sloop.

We hear the Mermaid and Glaſgow Men of War are ſoon expected here from Halifax.

Yeſterday Se'nnight died at Portſmouth, in the 75th Year of his Age, the Honourable BENNING WENTWORTH, Eſq; late Governor of the Province of New-Hampſhire.

The Goods which have been ſtored in this Town by the Committee of Inſpection for ſome Time paſt, were laſt Week delivered out to their reſpective Owners.

It is ſaid the Rhode-Iſland People exult in that they have adhered to the Non-Importation Agreement longer than any Colony on the Continent excepting South-Carolina.

Laſt Saturday we had here a very violent Storm of Wind and Rain, which continued moſt of the Day at about N. N. E. attended at Noon with the higheſt Tide that has been known at this Place for near fifty Years paſt, by which great Damage has been ſuſtained by the Loſs of Sugars, Salt, and other Articles in Store on the Wharves, which were overflowed in all Parts of the Town.

Great Loſs has alſo been ſuſtained by the floating away of Cord Wood, Boards, Staves, Shingles, &c. from the different Parts of the Town.

And 'tis feared great Damage is done at the other Sea-Port Places, and by Veſſels who might happen to be upon this Coaſt.

We hear that a Ship, Captain Dunn, from Glaſgow, laſt from Newbury, being at Anchor in Nantaſket Road, parted her Cables, was drove upon the Flats in Braintree Bay, and was oblived to have her Maſts cut away; and it is ſaid 15 or 16 other Veſſels, which came too below the Evening before the Storm, are caſt aſhore at the different Iſlands; but it is thought moſt of them will be got off again.-----Captain Bennet, in a Ship bound to Africa, was the only Veſſel in Nantaſket that rode out the Gale without Damage.---Captain Higgins, in a Sloop bound to Connecticut, was obliged to cut away his Maſt and Bowſprit, and is ſince towed up to Town; another Sloop ſhared the ſame Fate; and a Schooner came aſhore on Deer-Iſland without any Perſon on board, ſuppoſed to have drifted from Lynn or Marblehead.---The Men of War and other Shipping laying in this Harbour received little or no Damage.

By a Gentleman from Plimouth, who was Paſſenger on board Captain Ellis, bound from Rhode-Iſland to this Place, whoſe Veſſel was caſt away there in the above Storm, we learn, that near 60 other Veſſels were alſo drove aſhore at that Place, and 40 or 50 Lives loſt, and that a Number of the dead Bodies were taken up before he came away; alſo that many of the Stores were blown down, and conſiderable other Damage done in that Town.

BOSTON, OCTOBER 29.
Province of MASSACHUSETTS-BAY.

On Tueſday laſt the Honourable Houſe of Repreſentatives ſent the following MESSAGE to his Honour the Lieutenant-Governor, at Cambridge.

In the Houſe of Repreſentatives, October 23, 1770.

ORDERED, That Mr. *Hancock*, Major *Foſter*, Mr. *Gardner* of *Cambridge*, Mr. *Phillips*, and Mr. *Danielſon*, be a Committee to wait on his Honour the Lieutenant-Governor and preſent to him the following MESSAGE.

T. CUSHING, *Speaker.*

May it pleaſe your Honour,

IN our Meſſage to your Honour of the 13th inſt. we deſired you would be pleaſed to inform the Houſe, whether you ſtill hold the Command of Caſtle-William. In Anſwer to which you ſay, that in withdrawing a Garriſon from his Majeſty's Caſtle which was paid by the Province, and placing a Garriſon there to be paid by the King, in purſuance of Inſtructions from him, you have not given up any Part of our Charter Rights.

This Anſwer appears to the Houſe to be ſomewhat Equivocal: For your Honour may poſſibly differ with the Houſe in your Conſtruction of the Clauſe in the Charter which we have recited. By this Clauſe, the Governor of the Province is undoubtedly veſted with the Command of that Fortreſs: Your Honour may have been inſtructed to tranſfer that Command to his Majeſty's chief Military Officer in America or any other Perſon. If that be the Caſe, the Power which is veſted in you by the Charter, is ſuperceded by Inſtructions.

A Doubt in the Houſe reſpecting a Matter of ſo very intereſting a Nature to the Province, is the Occaſion of this repeated Meſſage to your Honour, to requeſt that you would, in an explicit Manner aſſure us, whether you ſtill hold the Command of his Majeſty's Caſtle-William.

To which Meſſage his Honour was pleaſed to ſend to the Houſe the following ANSWER.

Gentlemen of the Houſe of Repreſentatives,

IN my Anſwer to your Meſſage of the 13th Inſtant, I have told you that by withdrawing the Garriſon from Caſtle-William which was paid by the Province, and placing a Garriſon there to be paid by the King, in purſuance of Inſtructions received from him, you had no Grounds to infer that I have diveſted myſelf of the Right given me by Charter over this Fort in common with the other Forts in the Province.

I had no latent Meaning in this nor any other Expreſſion in my Anſwer. I intended it ſhould convey this Idea that I was not, by the Exchange of the Garriſon, diveſted of the Right, and, conſequently, that I ſtill retain it, for it has never been ſuggeſted that I have parted with it in any other Way, nor do I know of any Colour for ſuch Suggeſtion.

I know of no Ambiguity in that Clauſe of the Charter which you have recited in your firſt Meſſage to me. I ſhall be ſorry if the Houſe put any Conſtruction upon it different from what appears to me to be the plain Senſe of the Words, but I muſt govern myſelf by my own Underſtanding, and chuſe to avoid any Altercation concerning it.

The Authority given me over the Caſtle by his Majeſty's Commiſſion I have exerciſed and continue to exerciſe without any Infringement of the Rights of the People by Charter or otherwiſe, and without any Extenſion of the Prerogative of the Crown beyond its juſt Limits, and I doubt not I ſhall be able to vindicate my Conduct if ever I ſhall be called to account for it.

T. HUTCHINSON.

Cambridge, 23d October, 1770.

From the Southward we learn, that great Damage was done along that Shore in the Storm laſt Saturday Se'nnight:------A Brig belonging to Providence and a Schooner to Newport, from Whaling, were caſt-away at Tarpaulin-Cove: Captain Scott from Turks-Iſland for this Place, laden with Salt, was drove aſhore the Back of Cape-Cod, at Eaſtham: A Rhode-Iſland Sloop from Whaling, aſhore near the ſame Place: A Sloop belonging to Plymouth aſhore at Race-Point: The People belonging to theſe Veſſels were ſaved.---At Plymouth, a Number of Veſſels drove aſhore, one of which was Captain Ellis, from Rhode-Iſland, mentioned in laſt Monday's Papers; but the Account that 40 or 50 Lives were loſt there, we hear was a Miſtake in the Informant:---A ſmall Schooner was caſt-away at a Place, called the Monument Land, and the Men, Veſſel, and Cargo, (if ſhe had any) all loſt; two of the Men were found near the Wreck; in the Jacket Pocket of one of them was a ſmall Pocket-book, in which were ſundry Papers, very much torn; one was found to be a Bill of Sale of the Schooner Defiance, from Lemuel Lattimore to Damon Lattimore, of Mount-Deſert: Another was a Letter dated at Mount-Deſert, October 8, 1770, ſigned by Lemuel Lattimore and Lucretia Lattimore, directed to their Mother at New-London, her Chriſtian Name Ruth, the other Name could not be diſcovered. The Veſſel appears to be built wholly of Black Birch, both Plank and Timber, is almoſt new, and is judged about thirty Tons.------Several other Veſſels it is ſaid are aſhore and ſome ſunk, but we cannot learn what they are. Many that we were in fear of, have ſince heard are ſafe. At Hingham all their ſmall Veſſels drove aſhore, one or two about 45 Tons, were floated on to a Wharf which at common Tides the Water never roſe ſo high as the Top of.---A ſmall Fiſhing-Boat was ſunk between Nantaſket and Hingham; the ſmall Pump, a Maſt that had been cut away, and Boat or Canoe, drove aſhore, the other Maſt held to the Rigging of the Boat that ſunk.

Great Damage was ſuſtained at the Southward by the waſhing away the Hay from the Meadows, ſpoiling the Sugars and Salt in Stores, carrying off the Cord-Wood, &c. from the Wharves, blowing down Stores, Sheds, Barns, Fences, Trees, and carrying off Roofs of Houſes.

Far Eaſtward we don't learn that any great Damage was done. At Piſcataqua, Cape-Ann and Newbury ſome Stores were hurt; A new Ship coming out of Newbury-Port, Capt. Dunlap, bound to this Place, was drove on Plumb-Iſland, ſunken her Way ſtove a Sloop to Pieces belonging to Newbury.

NOVEMBER 1. Captain Shand ſailed for Providence a Fortnight before Captain Jarvis, filled with Engliſh Goods: Captain Hathway was loading for Rhode-Iſland. Captain Langdon in a Ship was to ſail for this Place in ten Days: Captain Hall and Captain Shephardſon in three Weeks.

Captain Burnell and Captain Deiano, were to ſail directly after Captain Hood for Nantucket.

Four or five Veſſels were loaded and ſailed for New-York, full of Goods, in Conſequence of Orders received upon the breaking up of the Agreement of Non-Importation. Captain Jenkins in a Brigantine, intending for this Place, was taken up to carry Goods to New-York. It is thought, that if the Demand in England for Woollen Goods is much larger, that they will riſe greatly.

It is ſaid in London, that the Demand of Goods for New-York is ſo great, and the Manufacturers ſo engaged to ſupply them, that if Orders ſhould arrive from Boſton, the Manufacturers could not fulfil them until next Spring.

In our laſt we mentioned, that at the Superior Court holden here, on Wedneſday began the Trial of Captain Thomas Preſton, of the 29th Regiment, who was indicted by the Grand Jury in ſeveral Indictments for the Murder of Meſſrs. Gray, Maverick, and others, on the 5th of March laſt. The Examination of Evidences and the Pleas, were continued from Wedneſday, each Day (Sunday excepted) until Monday; when the Honourable Judges ſummed up the Evidences, and gave the Charges to the Jury. The Jury went out about five o'Clock, and it is ſaid agreed by eight o'Clock. The Court was adjourned till the next Morning at eight o'Clock, at which Time they brought in their Verdict "NOT GUILTY;" and Captain Preſton was diſmiſſed.

On Thurſday laſt the Honourable Houſe of Repreſentatives choſe Dr. Benjamin Franklin Agent for the Houſe. And Yeſterday they made choice of Dr. Lee, of London, as Agent in Caſe of the Death or Abſence of Dr. Franklin.

SALEM, *(New-England)* OCTOBER 25.

Laſt Friday Night came on a N. N. E. Storm of Wind and Rain; which the enſuing Day increaſed to a Degree of Violence ſcarcely known before by the oldeſt Perſons. A minute or particular Deſcription of the general Deva[illegible] among the Shipping, Stores, Wharves, Lumber, &c. on both Rivers, is not eaſily to be given.---The Ship Antelope, Capt. Putnam, was the only Veſſel at Anchor in this Harbour, that rode out the Storm.---Twenty-one Sail of Brigs, Sloops and Schooners, were drove aſhore in Marblehead Harbour, but happily not any of them very materially injured.---Great Numbers of Fences were blown down, and Trees tore up by the Roots, in this and the adjacent Towns.---The Bridges between this Place and Marblehead are ſo much damaged as to be rendered impaſſable.------A conſiderable large Bridge, near the New Mills in Denvers, we hear is totally ruined.

About 50 Cords of Wood, and 15 or 1600 Buſhels of Floor Sand, were carried off Mr. Barr's Wharf at the North Bridge; and the South Shore is covered with Fire Wood, Timber, Boards, Shingles, Staves, Canoes, Boats, &c. &c.

Yeſterday Morning was towed in here by a Sloop from the Eaſtward, a ſmall Schooner, with 4 Men on board, belonging to the Iſle of Shoals, Richard Randall, Skipper, who informs, that on Friday Night laſt he was Fiſhing off that Iſland, in Company with 13 other ſmall Schooners, 3 of them belonged to Piſcataqua, and the others to the Iſle of Shoals:------That the next Day he came to an Anchor, and cut away his Mainmaſt: But loſing his Anchor, was drove at the Mercy of the Seas, till meeting with the Sloop abovementioned he was brought in here. He informs, two of the Schooners in Company with him were drove aſhore at Cape-Ann, and the Men ſaved: But there is no Accounts of the others.

We hear that vaſt Quantities of Salt Hay were carried off the Marſhes at Lynn in the late Storm. A ſmall Fiſhing Schooner, which went from hence the Day before the Storm, and was thought to be loſt, we hear, was caſt away at Situate, but the People, five in Number, were ſaved.

PORTSMOUTH, *(New-Hampſhire)* OCTOBER 26.

Laſt Friday Night came on here, and continued the next Day, a violent N. E. Storm, which blowed down ſeveral Buildings and many Fences in this and the neighbouring Towns: About twelve o'Clock at Noon, the Tide roſe higher than has been known for 40 Years paſt, which did conſiderable Damage in ſome Warehouſes, by melting of Salt, &c. and floating Lumber, Wood, &c. from off the Wharves. Many ſmall Veſſels from the Shoals, had ſailed the preceding Day, moſt of which 'tis feared are loſt, as not more than two or three have been heard of.

NEWPORT, *(Rhode-Iſland)* OCTOBER 22.

At the Superior Court held for King's County, on Thurſday laſt, Samuel Caſey, of South-Kingſtown, received Sentence of Death, for making and paſſing of counterfeit Money. Samuel Willſon, of the ſame Town, was ſentenced to ſtand in the Pillory, be branded on both Cheeks, have both Ears cropped, and pay a Fine of Six Hundred Pounds Lawful Money. William Reynolds, of Richmond, was ſentenced to ſtand in the Pillory, have both Ears cropped, and pay a Fine of Three Hundred Pounds Lawful Money. Thomas Clark, of the ſame Town, was ſentenced to ſtand in the Pillory, be branded on both Cheeks, have both Ears cropped, and pay a Fine of One Hundred Pounds Lawful Money. Eliſha Reynolds was ſentenced to ſtand in the Pillory, and be whipped 39 Laſhes; all for the ſame Crime.

The Sentences of thoſe who are to be pilloried, &c. are to be executed on Little-Reſt-Hill, next Friday. Sundry Perſons ſtand recognized over the next Term, upon Suſpicion of being concerned in counterfeiting Gold and Silver Coine.---A more horrid and extenſive Combination to defraud the Public, has never been heard of in New-England.

In a Field at Little-Reſt has been found a Set of Inſtruments belonging to Samuel Caſey, for caſting, ſtamping, and milling Joſephuſes of 1756, 1760, and 1763; and for Dollars of 1766, and 1767; and at Tower-Hill, a ſet was found hid in a Stone-Wall, belonging to Samuel Willſon, for caſting, ſtamping, and milling Dollars dated 1748, 1753, 1764, 1769, and Piſtareens of 1755. All the Inſtruments found have been brought to this Town, except the two Preſſes uſed in ſtamping, which weigh 20,000 Wt.

Though Caſey and Willſon had every Thing neceſſary for counterfeiting all the above Dates, the following Dates have not been found to be counterfeited in this Town, viz. Dollars 1748, 1763; and Piſtareens 1755; the others have.

Laſt Saturday we had here a violent Storm of Wind and Rain, from N. E. to N. in which the Spindle of Trinity Church was broke off a little below the upper Ball, but was prevented falling to the Ground by the Electrical Rods with which the Church is furniſhed; two or three Stores and Stables were blown down, and ſeveral Veſſels were drove aſhore in different Parts of this Harbour, and have received conſiderable Damage. 'Tis expected that many Veſſels are driven aſhore in other Parts which were more open to the Storm.

Captain David Sowle is arrived at Dartmouth from a Whaling Voyage, and brought in 350 Barrels, and for want of Caſks, had given away Part of a Whale.

NEW-HAVEN, *(Connecticut)* OCTOBER 5.

We hear that on or about the 23d ultimo, a great Number of the Inhabitants of the Province of Pennſylvania, beſet the Fort at Wyoming, on the Suſquehanna, in the Night, while the People were aſleep, cut and wounded many of them, and took Poſſeſſion of the Garriſon; but no Lives were loſt. Theſe are all the Particulars which we have heard.

NEW-YORK, OCTOBER 25.

On Monday laſt ſailed for London, the Ship New-York, Captain Haight, with whom went Paſſengers, Lieutenant-Colonel Leſlie, of his Majeſty's 64th Regiment, Major Pulleine, of the 16th, &c.

Yeſterday ſailed for London, the Ship Dutcheſs of Gordon, Captain Winn, with whom went Paſſengers, Sir William Draper, his Lady, and Family, Captain Collins, and Lady, &c.

OCTOBER 29. We hear from New-Fairfield, in Connecticut, that the Wife of Samuel Hungerford, of that Place, (who is in the 43d Year of her Age, and has now living 12 of her own Children, and 5 Grand-Children) on the 21ſt Day of September laſt, ſpun by Day-Light in about 12 Hours, on a common Spinning-Wheel, 126 Skeins of good fine Worſted Yarn, though under the Diſadvantage of having a young ſucking Child to take Care of. This can be atteſted to by two young Women who carefully reeled the Yarn. The laudable Ambition of both Sexes, and all Degrees of People in the Britiſh Colonies, (notwithſtanding the Diſcouragement of ſome few among them) ſtill Increaſes, to encourage Induſtry, Frugality, and Manufactories among ourſelves, that we may not long depend for Neceſſaries of Life, upon thoſe who would ungratefully take Advantage of our Neceſſities, to deprive us of our natural Rights and Liberties.

PHILADELPHIA, NOVEMBER 1.

By an authentic Copy of a Report of the Lords of Trade and Plantations, on the Petition of the Honourable Proprietaries of Pennſylvania, lately exhibited to his Majeſty in Council, againſt the Colony of Connecticut, for the Intruſions made by the People of that Government, on the ſaid Proprietaries Lands on the River Suſquehanna, it appears, that the Agents of the ſaid Colony being called before their Lordſhips, declared they had no Inſtructions to avow the Proceedings of the Settlers upon the above Lands, as founded on any Authority from that Colony, or to ſet forth on the Behalf of the Colony any Claim to the ſaid Lands.

The Capts. Sparks and Oſborne from London, have brought no Goods, except ſuch as are allowed of by our late Agreement, but have, on the Contrary, brought near £.10,000 in CASH, the Property of Perſons in this City; this being ſome of the Golden Fruits of the Non-Importation, it is hoped that the People of this Continent will ſo far ſee their Intereſt, as to manufacture whatever lays in their Power, ſo that inſtead of ſending Millions to maintain our Taſk Maſters in England, we may receive Thouſands from thence.

The Univerſity of OXFORD have been pleaſed to confer the Degree of *Doctor in Divinity*, on the Rev. Mr. PETERS of Philadelphia, the Rev. Mr. BYLES of Boſton, and the Rev. Mr. HARYNTON of Halifax, Nova-Scotia; and the Degree of *Maſter of Arts* on the Rev. Mr. INGLIS of New-York.

WILLIAMSBURG, *(Virginia)* OCTOBER 11.

From Saliſbury, in North-Carolina, we have an Account of the Death of the great Cherokee Chief SALOUE, who was lately here upon a Meſſage from his Nation to Lord Botetourt, comprizing of the Encroachments of ſome of our frontier People. He paſſed through that Town, ſick of a Fever, the 2d of laſt Month, and on Tueſday following was found, about ten Miles off, lying in the Woods, by a Planter, who carried him to his Houſe, and had him properly taken Care of; but he died the next Day, much regretted, as he was a ſincere Friend to the Engliſh. An Expreſs was immediately ſent off to the Cherokees, to inform them of the Death of one of their beloved Chiefs.

NEWBERN, *(North-Carolina)* OCTOBER 5.

On Wedneſday laſt a ſpecial Meſſenger arrived in Town from Granville County to his Excellency the Governor, with the melancholy Account of a violent Inſurrection, of another Rebellion having broken out in Orange County, among a Set of Men who call themſelves Regulators, and who have for ſome Years paſt given infinite Diſturbance to the civil Government of this Province, but now have ſapped its whole Foundation, brought its Courts of Juſtice to their own Controul, leaped the ſtrong Barrier of private Property, and audaciouſly violated the Laws of God and Man.

Theſe People have for a long Time oppoſed paying all Manner of Taxes, have entertained the wildeſt Opinion of the Gentlemen of the Law, and often threatened them with their Vengeance. Accordingly, as the Honourable Judge Henderſon, and ſeveral Gentlemen of the Law were returning from Saliſbury Circuit to Hillſborough, in order to hold the Court there, they were way-laid by a Number of them with their Riffles, but happily having Notice of their helliſh Deſign, by taking a contrary Route, eluded their bloody Plot. They ſtill gave out their Threats of meeting them at Hillſborough, and wreaking their Vengeance on them there. Theſe Menaces were treated with Contempt, as rather the Ravings of a factious and diſcontented Mob, than any ſettled and fixed Reſolution of Men of Property, to commit ſo daring an Inſult to the Laws of the Country; and accordingly, the Court was opened, and proceeded to Buſineſs: But on Monday, the ſecond Day of the Court, the tragical Scene began; a very large Number of thoſe People, headed by Men of conſiderable Property, appeared in Hillſborough, armed with Clubs, Whips, loaded at the Ends with Lead or Iron, (a Stroke from which would level the ſtrongeſt Man) and many other offenſive Weapons, and at once beſet the Court-Houſe. The firſt Object of their Revenge was Mr. John Williams, a Gentleman of the Law, whom they aſſaulted as he was entering the Court-Houſe; him they cruelly abuſed with many and violent Blows, with their loaded Whips on the Head and different Parts of his Body, until he, by great good Fortune, made his Eſcape, and took Shelter in a neighbouring Store. They then entered the Court-Houſe, and immediately fixed their Attention on Colonel Fanning, as the next Object of their mercileſs Cruelty; he expected his Fate, and had retired to the Judge's Seat, as the higheſt Part of the Court-Houſe, from which he might make the greateſt Defence againſt thoſe blood-thirſty and cruel Savages; but, poor Gentleman, vain were his Efforts, for after behaving with the moſt heroick Courage, he fell a Sacrifice to Numbers, and ſuffered a Cruelty the richeſt Language can but faintly paint: They ſeized him by the Heels, dragged him down the Steps, his Head ſtriking violently on every Step, carried him to the Door, and forcing him out, dragged him on the Ground over Stones and Brick-Batts, ſtruck him with their Whips and Clubs, kicked him, ſpit and ſpurned at him, and treated him with every poſſible Mark of Contempt and Cruelty; till at length, by a violent Effort of Strength and Activity, he reſcued himſelf from their mercileſs Claws, and took Shelter in a Houſe; the Vultures purſued him there, and gave him a Stroke that will probably deſtroy one of his Eyes: In this pitiful and grievouſly maimed Condition they left him for a While, retreated to the Court-Houſe, knocked down and very cruelly treated the Deputy-Clerk of the Crown, aſcended the Bench, ſhook their Whips over Judge Henderſon, told him his Turn was next, ordered him to purſue Buſineſs, but in the Manner they ſhould preſcribe, which was, that no Lawyers ſhould enter the Court-Houſe, no Juries but what they ſhould pack, and order new Trials in Caſes where ſome of them had been caſt for their Mal-Practices. They then ſeized Mr. Hooper, a Gentleman of the Law, dragged and paraded him through the Streets, and treated him with every Mark of Contempt and Inſult. This cloſed the firſt Day. But the ſecond Day preſented a Scene, if poſſible, more tragic: Immediately on their diſcovering that the Judge had made his Eſcape from their Fury, and refuſed to ſubmit to the Dictates of lawleſs and deſperate Men, they marched in a Body to Colonel Fanning's Houſe, and on a Signal given by their Ringleaders, entered the ſame, deſtroyed every Piece of Furniture in it, ripped open his Beds, broke and threw into the Streets every Piece of China and Glaſs Ware in the Houſe, ſcattered all his Papers and Books in the Winds, ſeized all his Plate, Caſh, and Proclamation Money; entered his Cellars, and after ſatiating and gorging their more than Savage Stomachs with his Liquors, ſtove and threw in the Streets the Remainder; being now Drunk with Rage, Liquor, and lawleſs Fury, they took his wearing Cloaths, ſtuck them on a Pole, paraded them in Triumph through the Streets, and, to cloſe the Scene, pulled down and laid his Houſe in Ruins, Hunter and Butler, two of their Chiefs, ſtripping to Buff, and beginning the heroic Deed. They then went to a large handſome Church Bell that Col. Fanning, at the Expence of Sixty or Seventy Pounds, had made a Preſent of to the Church of Hillſborough, and ſplit it to Pieces, and were at the Point of pulling down the Church, but their Leaders, thinking it would betray their religious Principles, reſtrained them. Their Revenge being not yet ſatiated on this unhappy Gentleman, they again purſued him, again cruelly beat him, and at Length, with Dogs, hunted him out of Town, and with a Cruelty more Savage than Blood-Hounds ſtained him as he fled. What Heart but feels for the Diſtreſſes of this unfortunate Gentleman! What Hand that would not be uplifted in Defence of ſuch injured Innocence! When they had fully glutted their Revenge on the Lawyers, and particularly Colonel Fanning, to ſhew their Opinion of Courts of Juſtice, they took from his Chains a Negro that had been executed ſome Time, and placed him at the Lawyer's Bar, and filled the Judge's Seat with human Excrement, in Deriſion and Contempt of the Characters that fill thoſe reſpectable Places. Would a Hottentot have been guilty of ſuch a Piece of Brutality! Or is there the moſt Savage Nation on Earth whoſe Manners are leſs cultivated.

A Paragraph of a Letter from a Gentleman who was Eye Witneſs of the above diſmal Scene, ſays, "The Merchants Stores are broke and rifled, Mr. Cooke's Houſe torn to Pieces, and Mr. Edwards's has not ſhared a better Fate. The Inhabitants have fled from the Town, the Regulators live at their Expence; they are in Poſſeſſion of their Houſes; and make the beſt Uſe of the Emergency to ſatiate their curſed Paſſions and Appetites. Here my Pen drops, I ſhudder with the painful Recital." In ſhort, all civil Government in Orange County is relaxed, the Courts of Juſtice totally ſtopped, and every Thing reduced to the Power and Controul of a Set of Men who call themſelves Regulators; but are, in Fact, no other than a deſperate and cruel Banditti, actuated by Principles that no Laws can reſtrain, no Honour or Conſcience bind.

On TUESDAY and FRIDAY EVENINGS,

At Mr. HAWES's, in MARKET-SQUARE,

BY THE

CELEBRATED SHAGHNUSSY, & Co.

WILL BE EXHIBITED,

The following MEDLEY of

SURPRISING PERFORMANCES,

To greater ADMIRATION

Than ever hitherto attempted in this Part of the World.

FIRST, he commences with a Prologue adapted to the Performance.---Secondly, he ſeems to cauſe a moſt wonderful and ſurpriſing Production of Fruit, with other Exhibitions, to appear upon a Table, in the Space of five Moments, appearing as natural as if they had grown upon the Trees.---Thirdly, he devours ſeveral Combuſtibles, in a Blaze, with as much Eaſe as Ladies drink Tea.---Fourthly, he drinks a Quantity of Liquor, to drive it down, which again he produces, in Streams, from ſeveral Parts of his Body, to Admiration. He then proceeds to his ſurpriſing Performance with curious Eggs, Money, and Cards, particularly cauſing the Cards to ſtick to the Ceiling of the Room, or other convenient Parts, and makes every Card that is called for by the Spectators fly down at the Word of Command. He cauſes them to riſe from the Table as though they were alive, and makes them jump and fly about like ſo many living Birds. He changes the Colour of Cards from red to black, or black to red, to the Admiration of the Beholders. He likewiſe in his Performance repreſents, to ſuch as require it, the Shape and Form of the Perſon allotted for their Spark or Miſtreſs; and diſcovers the Lady who ſhall happen to be firſt married in the Company. There will be added, by Means of a Magic Lanthorn, ſeveral curious moving Machines, repreſenting Ladies and Gentlemen dancing Paſhies and Country Dances; and a Piece of moving Machinery, repreſenting their Majeſties King GEORGE, Queen CHARLOTTE, and ALL the ROYAL FAMILY. Alſo a famous Italian moving Landſcape, repreſenting One Hundred Figures, each near ſix Feet high, and the Army going thro' their Exerciſe by the Word of Command; with the Humours of Dr. FAUSTUS, and ſeveral other diverting Subjects too tedious to enumerate. An Addreſs to *Every Body*, not aimed at *Any Body*, will then be humouroufly performed by Mr. SHAGHNUSSY, in the Character of *No Body*.

Between the ſeveral Acts of the above Performance, will be introduced the following DANCES, by Mr. GODWIN, viz. A Hornpipe---A Comic Dance, called the Pitchfork---The drunken Peaſant; Peaſant, Mr. GODWIN.---Clown, incident to the Dances, by Mr. DAWSON.

MUSIC in the Intervals, viz. Violin, by Mr. HYATT---German Flute, by Mr. LAUNCE. The Whole to conclude with an Epilogue.

† *Mr.* SHAGHNUSSY, *far from preſuming to aſſert to the Public that the wonderful Things by him performed are real Miracles, frankly acknowledges that they are only ingeniouſly and deceptively executed; and the Conſulters of Nature, or Sons of Reaſon, he is well aſſured, expect no other. He, however, engages that every Part ſhall be performed with the greateſt Nicety, and according to his Merits hopes for Encouragement from every*

PHILOTECHNUS.
